

VFW Post 7692 Web Site Image Submission Recommendations

First of all, thanks for your help to take the photos. Your time and effort is appreciated by all members of Post 7692.

In order to end up with the best quality images on your Web site, please follow the following recommendations when submitting pictures.

1. Pictures are for veterans and auxiliary to look back on and also for new members to see what we do.
2. All pictures must be emailed to the Post 7692 Webmaster position, currently Mike Farrell, email address mfarrell0722@gmail.com
 - a. Do not text pictures
 - b. Do not submit pictures on disks
3. When submitting the pictures via email, please include in your email the following information about the event so we can include the pictures in a category. Please state a name and date of the event:. This will help the Webmaster create a category, as in the following example
 - a. "2018 0503 Rummage Sale"
4. If you feel it would be appropriate, please include a brief comment about each picture.
5. Any pictures you have taken should be reviewed for image quality. Submit pictures only if the quality is good enough that users will enjoy looking at the image.
 - a. Make sure no duplicates are submitted
6. Submit only images that pertain to the VFW Post and the activities of the members.
